

BYRON BIBLE CAMP SUMMER INTERNSHIP

Program Description

Through Byron Bible Camp's internships we offer a chance to gain a deeper understanding of full-time Christian ministry and learn about year-round camping ministry from a business and ministry perspective. Interns can grow in their leadership abilities and gain professional experiences while building the Kingdom of God!

The Internship Program at BBC is designed to equip young adults with a deeper understanding of Christ-centered leadership through the development of professional skills, ministry preparedness, and through relevant, formational curriculum within a Christian camp environment. This occurs through behind-the-scenes work, up-front leadership opportunities, interactions with campers and guests, mentoring relationships, and working alongside an intentional community of BBC staff with a shared purpose and vision.

The Internship Experience

BBC would like college age students to be able to complete an internship at camp over the summer from the middle of May to the middle of August. Internships that could be completed here are, but are not limited to business, ministry, worship leading, communication, and camping. If you have another degree that requires an internship, please feel free to reach out and we would gladly try to accommodate your specific area of study. We would like to give interns a peek into all aspects of camping ministry while being mentored spiritually. Interns will also be presented with the chance to mentor others. Interns would be able to learn the operations in these areas as it applies to their specific area of study.

- Youth, Adult, and Family Programming
- Recreation and Outdoor Ministries
- Leadership and Administration
- Guest Services and Registration
- Marketing and Communication
- Food Service
- Operational and Facilities Management
- Ministry Administration

Financial and Lodging Arrangements

Interns at BBC will be paid for 40 hours a week and also have free housing and utilities (power, water, garbage, internet) in a cabin shared with other same sex interns. Food is provided when guests are being served.

Supervision

The program will be supervised by Jon Duba, Byron Bible Camp's Executive Director who has a masters in Christian Education and 30 years of camp experience along with Katelyn Duba, BBC's Program and Communication Director, who has a degree in graphic design, Communication, and Biblical Studies and nine years of camp experience.

How to Apply

Apply for the internship by filling out our Staff Application at byronbiblecamp.com or scanning the QR code. Where it says "Position Desired" put "summer staff" and let us know what internship you would like to complete. You can also start by contacting us and asking questions.
