Facilities

Retreat Center – Our main building contains a commercial kitchen, dining hall, stage, game room, meeting area and 4 sleeping quarters with bathrooms and showers connected.

The upper level of the retreat center is approximately 16,000 square feet and has a full array of amenities. It contains our meeting hall, which seats 240+ and is also where we hold our chapel and/or praise/worship times. On one end is a commercial kitchen and on the other end is our worship area and stage. We have an up-to-date sound system, and video projection is set up and available as well.

The lower level of the retreat center will sleep 46. It also has a craft room, game room, and small group meeting area with a fireplace.
